Applications should be turned into the school office by 5:00 p.m. on the last day of open enrollment. As applications are received, the date and time stamped on the application will determine the date and time received – not the parent/guardian’s signature and date. When open enrollment ends, applications are counted. If there are fewer applications than openings, all applications will be accepted. If there are more applications than openings, a lottery will be held to determine who will be accepted and who will be placed on a waiting list. Within several weeks of the lottery, parents will be officially notified by mail if their child has been accepted. Preference is given to siblings of students already enrolled at the school for an available opening. Applications received after open enrollment are accepted on a first-come, first-served basis for any remaining openings or put on a waiting list if no opening remain.

If accepted, parents will receive an official acceptance package. Parents are expected to return the Enrollment Verification Forms and Consent for the Release of School Records (‘EVF’) by a specified date. If it is not received by that date, the accepted student will be dropped from the list to allow room for those who are on the waiting list.

IMPORTANT... YOUR CHILD MUST BE IN ATTENDANCE ON THE FIRST DAY OF SCHOOL, or have an excused absence before or on that first day of school by 12:00 p.m. If your child is not present, the academy will remove your child without notice from enrollment and the opening will be made available to students on the waiting list. (We ask that you tell the Academy if you do not intend to send your child.)
