

Welcome and thank you for showing interest in Walton Academy for the Performing Arts (WAPA), a SACS accredited, public charter of choice. We are excited that you have chosen WAPA as your school to help nurture and educate your child. Our mission is to achieve academic excellence by developing the mind, body and soul through the arts and technology.

We are currently updating our enrollment process due to COVID-19 and will be updating forms to become digital. Please be sure to complete the Student Application and return to the school by emailing tgreen@waltonacademy.org or send fax to (813) 231-9271. We will then contact you regarding the next steps of the enrollment process.

Our Current Enrollment Process

When enrolling a student, parents or guardians will need to complete the following...

1. Complete the Student Application
2. Attend a Virtual Family Orientation & Submit Audition Video
3. Complete the Family & Student Survey/Agreement
4. Complete Registration to include Required Documents for Admission

LAST DAY OF OPEN ENROLLMENT JUNE 30, 2020

Applications should be turned into the school office by 5:00 p.m. on the last day of open enrollment. As applications are received, the date and time stamped on the application will determine the date and time received – not the parent/guardian's signature and date. When open enrollment ends, applications are counted. If there are fewer applications than openings, all applications will be accepted. If there are more applications than openings, a lottery will be held to determine who will be accepted and who will be placed on a waiting list. Within several weeks of the lottery, parents will be officially notified by email if their child has been accepted. Preference is given to siblings of students already enrolled at the school for an available opening. A lottery system will be used if capacity has been met for enrollment.
